ROTARY'S FOUR WAY TEST

Of the things we think, say or do....

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

COMMUNITY SERVICE

The Rotary Club of Delhi Garden City has been involved in a number of community service projects. In 2020-21, we not only sustained these ongoing projects but launched a number of new initiatives. A brief of these projects and initiatives can be found below:

Balgram Orphanage, Rai Village, Sonapat (Haryana)

Balgram, an Orphanage at Rai (Sonapat), supporting this project since the year 1999, there are over 65 orphan children, providing additional nutritional milk, fruits, providing teachers for tuitions, infrastructure improvement and meeting their other requirements from time to time including health care.

Last year we have hired counselors to counsel with each and every child to understand what interest is there and motivate them and make record of each child. These counselors are monitoring weekly progress & conducting activities that will build interest amongst the children; inculcating a spirit of motivation; awareness for livelihood and overall development

These coordinators holds One-on-One sessions with children to understand their needs, aspirations, plans and to identify any special requirements or concerns of each child and look out for any factor affecting the well-being (physical and psychological), health, and welfare of the child & also creates a personal file of each child with all relevant information related to the child. Counselors are also organizing workshops for the children on:

- i. Reproductive health
- ii. Self-development
- iii. Emotional Health
- iv. Motivation
- v. Life skills
- vi. Any other issue as may be relevant and required

This year we made infrastructural improvement by providing independent Bunk Beds, Study Desk and 9 computers for 9 houses to provide online counseling. We also setup online vocational centre at Balgram by providing Laptop; Projector & Projector Screen.

This is our longest running project adopted in 1999 and was awarded RI **Significant Achievement Award** by Rotary International in year 2006-07.

Basti Vikas Kendra, Srinivaspuri Slum Cluster

This is also our longest serving project since 1999, there are over 60 children between age group of 3 to 6 years. Children of casual daily laborers leave their children in the school for full day's care. Children are provided primary education, mid-day meal, uniforms, toys, medical check, free medicines etc. This project was also awarded **Significant Achievement Award** by Rotary International in 2008-09.

This year since the Balwadi was closed, we made the infrastructural improvement by providing new Study Desks; Coolers; E. Fans; Invertor.

Baas Educational Trust School, Tikli Village, Gurgaon, Haryana: Guided by our Club's PP Martin Howard, the Baas Educational Trust seeks to bring an English medium education to children of three villages near Gurgaon using the Montessori System of teaching by specially trained teachers. We have been providing support to this school since 2007.

E-Learning Equipment: E-Classrooms: Rotary International launched an initiative to eradicate another demon from our society '**Illiteracy**'. Rotary took this initiative under its flagship mission **T-E-A-C-H** that aims to ensure basic education for under privileged children across India.

The five pillars of **Rotary's Literacy Mission** are:

T – Teacher Support

E – E-Learning for School Children

A – Adult Literacy

C – Child Development

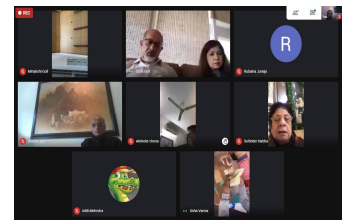

H – Happy Schools

Out of these five pillars, District 3011 has undertaken **E-Learning** to ensure the optimum use of technology to remove **Illiteracy** from our country. The District approached **Egate**

Infotel Pvt.Ltd. for e-learning solutions in schools and negotiated the best price for e-equipment.

The program enables the differently abled children to realize their full potential, instills self confidence in them and helps in their social and economic integration. It will help them to make Greeting cards, Paper Bags, Envelopes and other paper items from the recycled paper and sustain themselves with the income so generated. The funds for the same ate donated by Mr. Sunil Goil an associate of Rtn. JK Jain. We whole hearted thanks Mr. Goil for the kind contribution. Under this global grant, children from poor sections of society will receive free cancer chemotherapy treatment at the *All India Institute of Medical Sciences (AIIMS)*. The treatment will give these children a second chance at life.

Under this Grant we received Rs.32.64 lakhs (\$48000).Under Global Grant for Pediatric Cancer; we adopted 64 children for treatment at AIIMS. Seven children went in Remission cycle. Unfortunately, we couldn't save life of 21 children & 6 went back to their villages in the middle of treatment. 30 children suffering from cancer are being treated. We spent around Rs. 12 lakhs on the treatment. In previous year, we spent around Rs. 12 Lakhs on the treatment & Rs. 2 lakhs on these camps. We are still left with Rs. 8.45 lakhs which will be used in the treatment of these children.

WinS & WASH & Toilet Renovation / Up-gradation at SDMC Schools

The key initiatives of District 3011 are "WinS"/ WASH in schools. This project has taken center stage in Rotary as many clubs of the district have been adopting it. It includes building clean toilets and group hand washing stations, providing cleaning materials and teaching children when and how to wash hands properly. With the improved conditions in hygiene, it is expected that there would be a decrease in the number of days children miss school because of illness and an increase in their overall attendance. Girls, on attaining puberty, need no longer miss school as gender specific toilets ensure

that they can maintain hygienic practices in safety and privacy. These children will be the agents of change in the SWACHH BHARAT SWACHH VIDYALAYA campaign. We have been supporting this campaign for the past six years and have done tremendous work in this area.

This year we renovated toilet block (Both Girls & Boys) at SDMC School CR Park, with a budget of Rs. 11.00 lacs under CSR funds from Hughes.

In **2015-16**, thanks to the support received from Angelique Foundation and HCIL Comtel Ltd., we spent over Rs. 45 lakhs on the project by building 51 WC's, 24 urinals, 31 hand wash stations with 135 taps in MCD School, Srinivaspuri, Anand Vihar, Tigri 1, 2 and 3 and Kendra Vidyalaya, RK Puram.

In **2016-17** we spent over Rs. 51 lakhs on the renovation and construction of toilets and hand wash facilities - 60 WC's, 36 urinals and 26 hand wash stations with 96 taps in MCD School, Kalkaji, MCD School No. 1, 2 and 3 Tigri, Ambedkar Nagar benefitting over 3500 children and staff members.

In **2017-18** we constructed 42 WC's, 11 urinals and hand wash stations with 47 taps at a total expense of Rs. 31 lakhs benefitting over 3200 children and staff members.

In **2018-19** we renovated/ constructed 21 WC's, 6 urinals, hand wash stations with 22 taps and a septic tank at a total expense of Rs. 26 lakhs benefitting over 1200 children and staff members.

We thank Mr. Pranav Roach, CEO Hughes Network for his valuable support with CSR funds of Hughes Network System India Ltd. The HCIL partnership is in its 5th year. We also thank Rtn. Sanjeev Nangia for his continued support in the execution of the toilet projects.

Blood Donation Camps: During the year we organized 3 camps and collected 138 units of blood. We have been organizing camps at Nehru Place, Tikri Border, Sanghu Border. We thank blood donation committee chair Rtn. JS Puri and his both sons Sivkan and Sivgun Puri who gave their time and energy in making these camps a success.

Polio Plus Campaign: In the past seven years, our Club has been allotted two booths, one at Hamid Poly Clinic, Batla House, Okhla and another at Lions Hospital, Khijrabad. On NID/SNIDs our members visited both localities, going house to house encouraging parents to bring their children to the booths for vaccination. Plastic balls, caps, chocolate, biscuits etc. were distributed to motivate the children and increase the turnout. Members monitored the booths and administered polio drops.
