ROTARY IS SERVICE ABOVE SELF

Rotary Club of Delhi Garden City

An affiliate of Rotary International, Rotary Club of Delhi Garden City(RCDGC) was chartered in 1989. It is one of the Elite club in Rotary District 3011 and one of the most active in Delhi/NCR area in Health, Education and Skill Development areas.

RCDGC has been actively serving the community since 1989, by managing successful community service projects as well as contributing to Rotary International's key initiatives – Polio Eradication and Blood Donation. The club has the organizational and process maturity to not only sustain its community service projects (some of which have been in operation since 1999), but also initiate new projects from time to time. Since 1989 we have worked with a number of Rotary Clubs worldwide and with several partner and affiliate organizations to execute our community service projects. We take great pride in the transparency of our operations and publish our accounts and project report annually on our website.

During 35 years of its existence, RCDGC has successfully collaborated for several impactful projects. Our Club started a Comprehensive Vision Care Center in a slum area in association with Dr Shroff's Charity Eye Hospital. This year we also initiated Cervical Cancer Eradication Program with support from 'District 3011' and 'The Cancer Foundation'. Added another feature in the cap by starting Rehabilitation and Capacity Building centre for special children at South Extn. In health area, it includes complete renovation and upgradation of the Orthopedic OPD at St Stephens Hospital, Delhi; setting up Dialysis Center at Rotary Hospital, Gurgaon, associating with Club foot surgery and with children eye surgery on continuous basis for last 10 years.

Under Skill Development, we have been running 3 sewing Centers for several years with Singer as the knowledge and resource partner. These Centers have been empowering the young women and housewives to have independent income source and contribute to their family's welfare. Till July 2023, we have skilled 25 women in South Delhi, Noida and Gurugram slum areas. We also started working in Digital Skill Development area by setting up an IT Center at Rani Bagh, Delhi in 52 . it has skilled youth in IT skills till June 2024

We further enhanced our engagement in Skill Development Area by setting up a Digital and Employment Skill Development Center at South Delhi, with NIIT Foundation as the knowledge partner. This Center aims at Skilling the 12th pass slum youth and help them in getting suitable employment. The Center helps about 60 youth every year by skilling them in Digital and various functional areas- Accounting, Sales, supply chain etc.

In Education area, we have been running a Balwadi since 1999 to prepare 50 children of slum areas per year, for admission into regular schools. This covers pre school education, mid day meal and regular health check up for the children. We also work with MCD schools for improving the infrastructure and education facilities of these school. In last 15 years, we have collaborated with 27 Schools for improving toilet

facilities, clean drinking water facilities, e-class room, library, art rooms, computer center, medical and first aid facilities etc.

Being a part of Rotary International, we actively support and service programs such as Polio National Immunization Days (NIDs), Cancer Foundation, Education Foundation and Rotary Blood Bank, to name a few. Rotary Blood Bank in Delhi and Rotary Cancer Institute at All India Institute of Medical Sciences are among the internationally-known examples of the Community Service projects undertaken by Rotary movement.

ROTARY'S FOUR WAY TEST

Of the things we think, say or do....

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

PRESIDENT'S MESSAGE

Dear Rotarians and Fellow Members,

Rotary stands as a beacon of humanitarian excellence and global fellowship. With the motto "Service above self," Rotary brings together a diverse network of leaders dedicated to making a tangible difference in their communities and around the world. Rotary's impactful initiatives and tireless volunteer efforts have transformed countless lives.

I am honored to be a part of the Rotary Club of Delhi Garden City, which is one of the most prestigious clubs in the Rotary network. I am also grateful to all of you for bestowing upon me the privilege of serving as President of our esteemed club. In recent months, it has been my distinct pleasure to engage with many of you, and I have been deeply heartened by the enthusiastic and positive responses from each member.

I wish to convey my deepest gratitude to my esteemed predecessor, Rtn. Rani Sohinder Nabha, and her dynamic team for their remarkable achievements during the year 2023-24. Their unwavering inspiration and relentless dedication have been pivotal in launching new community service initiatives, including the 'Rehabilitation Centre for Special Children,' the 'Comprehensive Vision Care Centre in collaboration with Dr. Shroff,' and the 'Cervical Cancer Vaccination Drive.' These extraordinary efforts have made the past year truly phenomenal.

As I embark on this journey as President of our esteemed Club of Delhi Garden City, I am filled with anticipation and optimism for what we can achieve together. I look forward to the unwavering cooperation and support of each member, for it is through our collective effort that we will reach new heights of service and impact. Your enthusiasm, dedication, and shared vision are the driving forces that will propel our initiatives forward. Together, we will continue to build on our legacy of excellence, fostering positive change in our community and beyond. Let us embrace this opportunity to make a meaningful difference, united in purpose and strengthened by our shared commitment to Rotary's noble ideals.

We remain committed to honoring our club's legacy and advancing our community service projects. Our efforts will encompass Balwadi, skill development centers for digital learning and sewing, and the continuation of vital initiatives like Club Foot Surgery, Project Prakash, WinS & WaSH upgrades in MCD schools, Tree Plantations, Blood Donation drives, Health Camps, and Polio Eradication.

In addition to our ongoing projects, our focus this year will be on the issue of mental health, particularly the 'Online Child Sexual Abuse Awareness Program – E-Kawach.' As internet usage expands, so too does the vulnerability of children to online dangers. The rise in social media use has regrettably made children targets for

trafficking, sexual abuse, and forced pornography. These alarming incidents lead to severe psychological and mental health issues, including depression, anxiety disorders, delinquent behavior, and suicidal ideation.

This year's theme will be centered on fellowship, inclusivity, and community service. My team and I eagerly anticipate your guidance and support as we strive to uphold the highest standards of Rotary service and fellowship within our club. Let us wholeheartedly embrace this year's Rotary International Theme, 'The Magic of Rotary,' and collaboratively create a transformative impact in our community.

Yours in Rotary Service,

Pragyan Pradip Sharma

SUMMARY OF CLUB ACTIVITIES 2023-24

Throughout the year, our club has undertaken and expanded several impactful projects, benefiting numerous individuals across different communities. The Skill Development Centre, initiated during our Silver Jubilee, now operates in three locations—South Extension Part 2, Noida, and Gurugram—empowering women from economically weaker sections. This year, 25 girls completed the sewing course, with many now earning 8,000-10,000 INR per month. The IT Skill Development Center in Rani Bagh has provided basic computer training to 32 youths, with 14 currently enrolled.
