Dear Members of RCDGC,

Wishing everyone a big Hello! from the editor's desk!

Thank you all for embracing R'Anne. Shalini and I to the RCDGC family. A special thanks to Past President, Rtn. Vibhuti Sharma for introducing us to this wonderful club which has become a family to us so soon.

Installation of the President Rtn. Ashok Sharma and his team was held on July 24th 2021 with DG Rtn. Anup Mittal as guest of honor. Congratulations to him and the entire new team with best wishes for a new refreshed and vaccinated year of activities ahead.

This quarter saw the first in-person Speaker meeting at Lodhi Hotel, our favorite haunt, once again, after a hiatus of almost 18 months. Virtual fellowships and meetings continued in this quarter in keeping with the cautious, slow yet steady, start to physical events.

Covid vaccination, Feed the needy program and the Polio vaccine camps continued with full zest and fervor in this quarter. Other programs which restarted with renewed enthusiasm were the Singer Vocational Center, Balgram activities and treatment of pediatric cancer patients at AIIMS.

I would like to personally and on behalf of RCDGC family, thank Rtn Anup Soni for taking responsibility of Covid vaccination of all our members. Kudos to his team, especially his secretary Ms. Kamyra (despite a fractured hand), who worked in the true spirit of Corona warriors and ensured a seamless process of vaccination for everyone.

The need of the hour this year has been the vaccination drive. The RCDGC along with 'H.O.P.E Oncology clinic' and 'Learning by Locals' administered 2922 vaccinations. Bravo!!

Congratulations to our CSR partner HCIL Comtel Pvt. Ltd. who has been awarded the 'Rotary CSR award' by the Rotary Distt. 3011. It is a proud moment for our club.

I hope and pray that the coming months bring good health, peace, contentment and joy to all our members.

We must remember that- there are two ways of living life; one as if nothing is a miracle and the other, as if everything is a miracle.....

Best regards,

Kavit Laroia
